for much more than just basketball.

On Friday, there's one being dedicated right here in Dallas at the Oak Cliff YMCA. This court, however, is special as it is being dedicated to Andre Emmett, a former Texas Tech University and NBA player who was shot and killed in 2019 and is from the area.

The charity Everyone Eatz will give out 3,000 meals and there will be free COVID-19 testing.

The dedication will take place between 4 p.m. and 4:45 p. m.
